EDUCATION

Cedarville University

Industrial and Innovative Design (GPA: 3.79)

Cedarville, OH

August 2017 - May 2021

- Organizations/Awards: Dean's List, Dean's Honor List, One Campus Leadership Scholarship, Faculty Excellence Scholarship, President's Ministry Impact Scholarship, CU Founders Scholarship.

WORK EXPERIENCE

Fuseneo, Inc.

Industrial Design/Packaging Intern

St. Charles, IL

April - July 2022

- Sketched and developed product ideas and concepts for 10 projects with a team and independently.
- Collaborated on 10 projects with design engineers and graphic designers for concept manufacturability.
- Researched 90 hours of material suitability, process, and market requirements to meet client needs best.
- Produced 100+ samples and working models by hand and using prototyping equipment.
- Tested design concepts by modeling and hands-on physical testing.

DICK's Sporting Goods

Sales Associate & Cashier

Dublin, OH

August-December 2019

- Interacted with customers in a genuine way that demonstrated knowledge and passion for their sport.
- Presented apparel and equipment throughout the store according to company standards.
- Created an exceptional experience through front-end customer engagement and point-of-sale interaction.

WinShape Camps

Pottery Instructor

Rome, GA

May 2019-August 2021

- Instructed 12 campers per class from grades 1st-12th in hand-building, throwing, and glazing techniques.
- Operated four kiln firings per week and delivered completed projects to campers.
- Maintained a clean and organized classroom and ensured camper safety while interacting with equipment.

PROJECT EXPERIENCE

International Center for Creativity

Capstone Project Designer (Facing Food Waste: Redesigning the Modern Fridge)

Dublin, OH

January - May 2021

- Conducted 3 months of research on the large-scale issue of food waste and developed a concept for a real-world, user-focused solution.
- Designed a final concept based on market research to be manufactured in the next 10 years.
- Integrated storytelling to communicate and deliver a final 30-minute presentation of my capstone project.

LEADERSHIP EXPERIENCE

Cedarville Women's Rugby

Student Representative

Cedarville, OH

September 2018 - May 2019

- Collaborated with team leadership through weekly meetings to improve team skills, organize fundraising events, and discuss the advancement of Cedarville University Women's Rugby.
